## Competition Team Season Start

The competition team started their season at the Turn It Up Dance Convention on 10/23/22 in KOP. Good luck this year dancers!

## Class Attendance and Makeup Policy

Our families have been wonderful when it comes to calling or emailing to let us know that students won't be in class, which is great! It's nice to be able to give our teachers that information ahead of time. With absences, we have had several questions regarding makeup classes. It is highly encouraged that dancers make up for missed classes. Students can attend any appropriate level class throughout the week as a make-up... and it's a great way to check out a new dance style!. If you could email at least 24 hours prior so that we can let our teachers know in advance, it is super appreciated!
