

LET'S CELEBRATE

Welcome to our **15TH SEASON!**

Season Starts Sept 9th

We are anxiously awaiting an especially exciting start to our 15th season here at DCDC! The studio is ready to welcome all of our amazing students next week. We can't wait to see familiar faces and meet new students and families joining the studio this season.

Here are some helpful tips for a successful season start:

- Reference our [attire page](#) to ensure your student has the correct dance wear and shoes for class.
- Label all shoes, outerwear, dance bags, and water bottles.
- Arrive no more than 5 minutes prior to the class start time to ensure smooth flow of traffic in between classes.
- Parents are encouraged to drop off or wait in our lobby by the building entrance. There is no observation rooms or windows to our studio spaces.
- For returning students, please update the student's school grade in your Jack Rabbit Dance family portal.

Hair Tie Collection

Two seasons ago, we asked families to consider donating a new pack of hair ties to the studio. These are then made available to any students that forget one before class throughout the season. Filling one bowl of donations lasted us close to 2 seasons! We will have our bowl at the front door of the studio if anyone cares to donate. Thank you in advance!

Studio Communication

There will be a couple of avenues of communication we will use with students and families this season.

- Email: We will send reminders for holiday closures, events, and additional fees 1 week prior.
- Monthly Newsletter: Letters like this will go out via email at the beginning of each month. Need to reference an update, but can't find the email? No problem! You will be able to find all newsletters posted on our website: [Keep in the Know](#)
- Social Media: Be sure to follow the studio on Facebook and Instagram for updates and posts showing all of the studio fun!
- The Band App: We ask that all families download this free app (logo below). Throughout the month of September, you will receive more information about how to use the app. Your student's teachers will use the Band app to upload class footage, choreography, and class photos.

Welcome to the Team, Jessica Jarvis!

Jessica is joining the DCDC team this year and will be teaching Acro, Ballet, Lyrical, and Hip Hop! For a full bio, teach [HERE](#).
