

LUCKY TO DANCE

"And the merry love the fiddle, and the merry love to dance." - W.B. Yeats

the studio feels like my second home.

i love my teachers.

you have created an amazing environment. i am always excited and happy to go to dance, and you are a big factor in that.

you all help me grow as a dancer and a person.

you are all amazing and make me happy every time I come into the dance studio. dancing is my favorite place to be in the world! you guys are the best, thank you!!

Thank you for your contribution...

It's safe to say, we now have plenty of hair ties to last us the rest of the season! For those that donated last week, thank you. Our lobby walls are covered with beautiful drawings and messages from our dancers and teachers, expressing gratitude and appreciation. It was beautiful to hear and an excellent grounding exercise that helped our dancers center themselves throughout the week.

Student Spotlight: Jonairys Ramierz

Jonairys Ramierz is a 9th-grade student at Great Valley High School. She started dancing with DCDC at the age of 7; this is her 8th year as a studio member.

What is your favorite style of dance?

I really enjoy lyrical and contemporary. Miss Des choreographed a lyrical piece for me to perform for my quinceañera this month and I love it.

Speaking of which, what is a quinceañera?

- It's a celebration of my 15th birthday; it's a celebration of coming into womanhood in the Hispanic/Latina culture.

What do you love most about dance?

- Obviously, I just love dancing, but I also love seeing everyone and my friends. The studio is a very positive environment.

Do you think you will continue to dance after high school?

- Definitely!

What's your favorite part about being on the competition team?

- I just love being a part of a team with amazing people and competing alongside strong, talented dancers.
